

LARALAB

ACCOUNTING & FINANCE – WORKING STUDENT (m/f/d)

At Laralab, we are a start-up working on exciting and impactful things! Our goal is to make the planning of cardiac interventions more thorough and to help introduce new therapy options with better outcomes. We have partnerships with companies and clinics worldwide and are backed by strong investors. We love the challenge of innovation and our technologies are A.I.-powered (truly!). Most of all, we are growing our team to make these innovations a growing reality.

Would you like to play a central role in this growth process? We are looking for an **Accounting & Finance Working Student** to join our team! You would be working closely with management on leading monthly accounting processes, tracking financial progress, and assisting financial planning for the company's future.

Your Skills

- Currently enrolled in a graduate / post-graduate degree in Business Administration, Economics or related field, ideally with a focus on finance and controlling
- Excellent written, verbal, and interpersonal communication skills in English and German
- Attention to detail, organizational and analytical skills
- Flexible mindset, ability to adapt in a fast-paced environment, and proactive in finding solutions
- Previous working experience in a similar environment and international experience is a plus

Your Challenges

- Contribute to monthly flows and closing processes, as well as day-to-day operations
- Carry out communication with the CEO and the company's accounting office to ensure smooth month-end processes
- Track the company's financial performance
- Prepare monthly payroll and sort payslips
- Prepare regular financial reports for investors and assist management with financial planning and projections

Be Part of Our Story – there is a lot in it for you!

- Opportunity to grow in an international company which provides a real purpose
- Dynamic start-up environment with a young, passionate, and skilled team
- Steep learning curve, great working environment, office centrally located in Munich
- Flexible schedule that accommodates to a busy-student-life
- Opportunity to gain first-hand experience on important business processes and create an impact on them
